Gospel Reflection

Believing in Jesus Christ has its varying degrees as well as encountering him. When the apostles encountered the Risen Christ, not all of them had the same reception. Even the first news of Christ's resurrection was not fully believed in Luke's gospel, as Peter ran to the tomb to check. In John's gospel today, we have the Risen Christ appearing out of nowhere in the disciples' midst. Thomas wasn't there and couldn't believe his brothers' testimonies.

Thomas experienced the conditions he wanted to fully believe, to put his finger in Jesus' nail wounds and his hand in Jesus' side. Was Thomas ashamed of himself for doubting his brothers? We can say that his doubt did not deter him from his duty as an apostle. After all, his ministry ended up in India, where he was martyred. And his ministry was to bring the experience of the Risen Christ to those who didn't see him and eventually believe.

Which brings us to why the beginning of what we call the New Testament came into being. A preservation of Paul's letters, the gospel accounts, and John's Apocalypse. Originally, those who followed The Way or the early Christians thought Jesus was coming back in their lifetimes. As the first witnesses started to be martyred or dying out, witness accounts had to be preserved and circulated further. After all, the Second Coming of Christ occurs in God's time. Who would've thought that these documents persist over centuries and even now?

When it comes to today, all of us encountered the Risen Christ differently. Some of us grew up with the faith, and others had a life-changing event that put us on that same path. Our journey of faith is still the same as the apostles; getting on that path is different for all of us. We don't have the experience of living with Jesus, but we still can experience Jesus living in us. It is through us that the Risen Christ is still believed in today. Let us pray to our Risen Lord and continually pass down this faith to the next generations of faithful believers.

“The Family Rosary has inspired and empowered me to continue to pray the Rosary every day. I know that Mama Mary loves me and my family as only a Mother can. Finally witnessing the spiritual growth of all who come together each month for this ministry reinforces and inspires me as I do my part to help lead families come closer to Jesus and Mama Mary through the power of the Rosary.”
-David

“I have prayed the Rosary daily for many years, but I enjoy having my grandchildren participate and focus more when they see the group praying together.” - Norma

“I love going to Family Rosary every month. It keeps me rooted in my faith and has helped me to become closer to Mother Mary. Praying the Rosary keeps my family safe from spiritual attacks. It also brings my family closer.”

1st Year Anniversary of St. Patrick Family Rosary

We invite everyone to join the
St. Patrick Church Family Rosary ministry on
Sunday, May 4, after the 11:00 am mass
in the St. Patrick School Cafeteria.

This ministry began 1 year ago meeting on every first Sunday of the month to strengthen families. Venerable Fr. Patrick Payton said,
“The family that prays together, stays together!”
when he promoted the praying of the Rosary in his radio shows that reached over 5 million listeners.

We invite everyone, all families, those that are physically together and those who are separated to include empty nesters, those in a divorced status, those with family members who have left the Church; and last but not least, single people to join us to celebrate the 1st anniversary of St. Patrick Family Rosary on Sunday, April 27 after the 11:00 am mass in the St. Patrick School Cafeteria. We will pray the Rosary, have a short teaching, and share a potluck lunch together.

FOR THE FAMILY THAT PRAYS TOGETHER, STAYS TOGETHER!

“Jesus gave Mary, his loving mother, to all of us as our mother, and we became her children. Jesus invites us to take Mary into our homes and into our hearts so that she can stand by us in our own time of needs and to inspire us to remain faithful to our commitment to the Lord. Is there a better way of doing so other than praying the rosary?”
-Susan

“I have gained a sense of camaraderie with participants who love Mother Mary as I do. I continue to grow in faith and trust in Our Lady who never fails to resolve my concerns placed in her hands daily to present to the Trinity; i.e., recovery of my beloved brother from heart failure has been fulfilled.” -Elizabeth

“The Family Rosary has given me a closer relationship with Mama Mary; she is my Mama I can run to anytime and all the time. I feel her love for me more and more everyday as I learn that all she wants me to do is to pray the rosary. I don’t have to do anything else because she is my mommy who takes care of and handles all the prayers in my heart with Jesus her Son.
